

Nuo Xu

+86 18521350201 | nx2138@nyu.edu

Class of 2029, Shanghai, China

EDUCATION

New York University Shanghai
Class of 2029 in study

09/2025-Present

Shanghai NanYang Model High School

09/2022-07/2025

Honor: Y2022-2023 Scholarship, Outstanding Student of the Year 2022, Best Progress Award

PROJECT & ACTIVITY

'Game Design Inspired by Everyday Life: Exploration and Discussion' Exhibition

Attendee | Organized by NYU Shanghai IMA

08/2025

- Attended an academic exhibition hosted by NYU Shanghai's premier game design program, observing innovative student and faculty projects that transformed mundane daily experiences into interactive game narratives.

Github Repositories

2025

- Initiating Github projects & repositories as my part-time hobbies (see my Github [Your Repositories](#))

SJTU 'Xue Sen' Challenge Program and Summer Camp

04/2023-12/2023

Participant | Organized by Shanghai Jiao Tong University (SJTU)

- Joined the electronic innovation challenge camp, led a team to collaborate and assemble a soccer-playing robot equipped with offensive capabilities
- Studied Arduino and assembled hardware & also practiced leadership and team collaborations

Research Project: Multi-Sensor-Based Myopia Prevention System

Independent Developer & topic author

08/2023-07/2024

- Led the end-to-end design and development of an intelligent vision health monitoring system by integrating multiple high-precision sensors to track user posture and ambient light in real-time
- Self-taught Python and C to develop embedded firmware for data acquisition and algorithms for data processing
- Engineered the full system architecture from concept to functional prototype, encompassing data collection, signal processing, and user alert mechanisms
- Wrote a paper "Design of myopia prevention and control system based on a variety of high-precision sensors"
-

School Health Center Assistant

2022-2023

Hygiene Committee Leader | Shanghai NanYang Model High School

- Sanitized classes after school and monitored students' health conditions for safety

VOLUNTEER EXPERIENCE

Shanghai Xuhui Community Library

08/2023

- Supported community library service as Library Administrator- participated in book cataloging, organized children's reading clubs and took care of the elders

SKILLS & HOBBIES

- **Language:** Native in Mandarin, Fluent in English (IELTS-7.5)
 - **Software:** Excel, PowerPoint & others, Python
 - **Hobbies:** Basketball, Guitar, Swimming, Karting, Travelling, innovating new Github Projects
-
